

# FAIRTRADE WORTHING

## Welcome to the 2023 edition of the **Worthing Fairtrade Directory**

This directory contains as comprehensive a list as possible of all local retail and catering outlets selling Fairtrade goods.

Some items may vary, but we hope it gives a good indication of the range of Fairtrade products available.

Please also look out for the **Worthing Fairtrade Town** stickers in shop windows, which also show the shops' support for Fairtrade.

This directory has been updated.

If there are any local businesses not included that you think should be, or if any revisions to the listings are needed, then please use the link below to get in touch with

**[The Worthing Fairtrade Steering Group](#)**

We are also interested in supporting any local schools that support Fairtrade, please email [us](#) for further information.

## WHAT IS FAIRTRADE?

Fairtrade is about better prices, decent working conditions, local sustainability and fair terms of trade for farmers and workers in the developing world.

*"Anyone who criticises me for talking about fair trade is a few pebbles short of a beach.*

*Because everyone should care about it, just like everyone should care about the environment, because we all live here."*

- Chris Martin of Coldplay

The FAIRTRADE Mark is awarded to products that meet international standards set by

**THE FAIRTRADE FOUNDATION**

an independent charity and one of 17

**International Fairtrade Labelling Organisations** operating in Europe, Japan, North America and Mexico.

## The FAIRTRADE Mark guarantees that:

- Farmers and producers get a fair and stable price for their products.
- Farmers and plantation workers get a premium to invest in their communities and improve their lives.
- There is greater respect for the environment.
- There is a closer link between shoppers and producers.
- Small farmers get a stronger position in world markets.

*“I have been able to fix the roof of my house,  
there is money for food and I can buy new shoes...  
but the most important thing about Fairtrade is that  
our dignity as human beings is recovered.”*

- Isaias Martinez, coffee grower

There are now over **6,000 products** that carry the FAIRTRADE Mark and more than **1.9 million farmers, workers and their families** across **71 of the poorest countries** benefit from the international Fairtrade system.

An amazing **93% of shoppers recognise the FAIRTRADE Mark!**
